PROFESSIONAL HEADLINE

Aspiring Web Developer | Skilled in Front-End & Back-End Development | Passionate About Building Secure, User-Friendly Applications

OBJECTIVE

Motivated and detail-oriented **Computer Science undergraduate** with hands-on internship experience in **web development, UI/UX design, and database management**. Skilled in **modern frameworks and responsive design**, with a strong foundation in **problem-solving, collaboration, and software development practices**. Seeking an entry-level opportunity as a **Web Developer / Full-Stack Developer** to apply technical expertise and contribute to innovative projects while enhancing professional growth.

EXPERIENCE

INTERNSHIP
Web Development Intern – Labmentix Pvt. Ltd. *(May 2025 – June 2025)*
- Completed a 2-month internship focusing on web development projects.
- Gained hands-on experience in front-end and back-end development.
- Applied skills in HTML, CSS, JavaScript, React, Node.js, and databases to support live projects.
- Demonstrated consistency, dedication, and teamwork in completing assigned tasks.

PROJECT

Reddit Clone
- Built the front-end with Next.js, React.js, and Tailwind CSS, delivering a responsive and modern UI.
- Integrated Sanity CMS as the backend/database for managing posts, comments, and community content.
- Implemented user authentication & authorization (login, signup, JWT/session handling) for secure access.
- Developed key features including post creation, nested comments, upvote/downvote system, and community management.
- Utilized GraphQL APIs to fetch and manage structured content efficiently.
- Applied Git/GitHub for version control and collaborative development.

CERTIFICATIONS

- **General Employability Enhancement Program – G-TEC Education**
- **C Programming – ICS India**
- **C++ Programming – ICS India**

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science
University of Calicut | Year: 2023 – 2026

Higher Secondary Education (Class XII) – Computer Science
GHSS Cherpulassery | Year: 2021

Secondary School Leaving Certificate (SSLC)
GHSS Cherpulassery | Year: 2019

SOFTWARE SKILLS

- **Front-End Development: HTML5, CSS3, JavaScript, React.js, Responsive Web Design**
- **Back-End Development: Node.js, Express.js, REST APIs, WebSockets, Authentication & Security**
